We can respect your teachers in many ways. For example, when the teacher is presenting a lesson inside the classroom, you can show respect by listening to the teacher and try to do what he/she kindly asks you to do. Also, if you want to ask a question in the middle of the teacher's presentation, it is quite respectful to wait patiently for the teacher to finish his/her turn. Respect for the teachers should not always be limited to the classroom. I mean we should respect teachers outside the classroom environment as well.
